Memo

To: Mayor & City Council
From: Deanna Mosher Hallett, City Clerk
Date: April 7, 2016
Re: Renewal of Victualer's' Licenses & Innkeepers

Enclosed is a list of renewing Innkeepers and Victualers that expire on May 31st.

These Innkeepers and Victualers need to be approved by the Municipal Officers according to Section 7-324 of the City of Hallowell Ordinances.

Reminder letters go out in April to the list and by having these licenses approved in April, they are ready to be issued when each application arrives with fee. This also gives us time for a stray license application to be approved at the May Council Meeting.

The annual license fees for all Innkeepers, Victualer's & Transient Sellers will be paid to the City before the City Clerk issues any licenses.
