

Hallowell Food Bank Memorandum

Effective Friday, April 18th, the Hallowell Food Bank will be offering clients weekly access to a myriad of fresh produce, both fruits and vegetables, as well as bakery items, including bread, every Friday during our normal Food Bank hours, but the HFB asks that you come between 1:30 – 2:00 PM for your weekly allotment. Clients will not have to go to City Hall to get orange slips for pickup of weekly allotments of fresh produce and bakery items. They will need to be registered as a Hallowell Food Bank Client to be allowed to help themselves to the weekly food items. This will have no impact on their monthly food allotment.

The Hallowell Food Bank has entered into an agreement with the Good Shepherd Food Bank and Hannaford's on Whitten Road, to make this program available to Hallowell residents. Only registered Food Bank clients will have access to these weekly food allotments.

Clients will still have to go to City Hall to get orange slips for their normal monthly food pickups.
